SUPPORT WILSON YOUTH BASEBALL & SOFTBALL

TEACHING INTEGRITY, RESPECT AND SPORTSMANSHIP ON THE FIELD AND IN THE GAME OF LIFE.

The Wilson Youth Baseball and Softball Association includes 50 baseball teams, just over 400 boys ages 4-18, and 150 girls ages 4 - 13. The Association is the Wilson School District's official youth athletic program. The Spring Season runs from April to early June. The Fall Season runs from September through October. The main baseball fields are located behind the Liberty Fire Company, while the main softball field is located on Cleveland Ave. (behind the Redner's Quick Shop) in West Wyomissing. Help us support our mission of "Teaching integrity, respect and sportsmanship on the field and in the game of life."
